### DELIVERIES

Farnborough International Exhibition and Conference Centre does **not** have any storage facilities for early deliveries. The Venue nor the show Organisers will accept or sign for any deliveries.

### DILAPIDATIONS

Please remember that you are responsible for rectifying any damage caused to the fabric of the exhibition buildings, by you, your agents, or contractors.

### FIRST AID & ACCIDENTS

First Aid can be found at the Hall 1 Medical Area. If you require medical attention, please contact the Organisers Office or any member of the exhibition team.

All accidents and near-misses must be reported to the Organisers via the Organisers' office.

## HEALTH AND SAFETY

We aim to assist our event participants in understanding and complying with their health and safety duties and with the site rules that we need to enforce to ensure all parties are protected as far as reasonably practicable. The show is a formal adopter of the Association of Event Venues' [eGuide](#). This is a nationally implemented combination of rules and guidance that Farnborough International has helped to produce since 2010. We ask all event participants to familiarise themselves with its contents and to work within the parameters.

Compliance with the eGuide will satisfy the vast majority of SSWS's health and safety requirements. Our uniqueness as a site, and as an event, mean there are a few areas we need to provide you with more detail to help you comply with UK legal requirements.

We thank you for your attention to the eGuide rules and to the ancillary information in these regulations. We remind all event participants that they are legally responsible for their own health and safety arrangements and legal compliance and that their own risk assessments may reveal the need for measures beyond the eGuide or Farnborough's ancillary rules. If you have any questions, please contact the [Operations Team](#).

## PARKING

Free parking in the onsite car parks is provided. Traffic marshals will direct you to one of our car parks on arrival. There is minimal electric vehicle charging stations onsite.

## SECURITY

Whilst every reasonable precaution is taken to ensure the safety and security of personnel and equipment, please note that venue security does not patrol event spaces overnight. We cannot accept any responsibility whatsoever for any injury, loss or damage, or any consequential losses, which may befall your personnel or their property.

Supporters are responsible for the security of their goods. Please consider how you can secure your products and belongings whilst on-site. We recommend that valuables are not left unattended on your stand and are removed or securely locked away each evening.

## STORAGE

No excess stock, literature, or packing cases may be stored around or behind your space. **Please note that on-site storage is not available.** Any items brought to the exhibition must be accommodated within your allocated space.

## SUSTAINABILITY

Encompassing our award-winning venue and internationally renowned event portfolio, Farnborough International Ltd operates under sustainability best practices in the aim to reach net zero. Collaborating with our industry-leading supply partners, we aim to inspire and support our clients in achieving their own goals by offering more sustainable choices.

Destination Zero is our commitment to becoming a leading sustainable business, events venue and event Organiser. Our aim is to operate with net zero carbon emissions through concentrating our efforts and actions across four strategic pillars, to be able to deliver exceptional events and experiences for years to come.

Please [click here](#) for more information.

**WIFI**

Free limited Wi-Fi will be available for visitors and supporters within the indoor areas of the show only.

## **BADGES & PASSES**

Everybody coming onsite must register, download and print their badges in advance.

Badges will need to be shown at the gates to access the site so please ensure you have them for all staff coming onsite, including any set-up and removal teams.

**Supporters and Partners** must register in advance. Please [click here](#) to register if you have not done so already.

**Speaker** badges will be coordinated by the Aerospace Events team. On arrival to the event, all speakers must report to the Speakers check-in desk to collect their badge, where the team will advise them of their scheduled session time and the location of the Speakers' Lounge.

**Official Suppliers** who are providing services to supporters must register in advance. Please [click here](#) to register.

**Visitor** passes are valid for the live days only (17 & 18<sup>th</sup> March) and must also be registered in advance. If you wish to invite anyone to register, please direct them to the show website [here](#).

Lanyards and badge holders will be provided upon entry; please return these to us at the end of the show so that we can recycle them.
